

John Wade Mini Bio

Current Position

Founder, President & CEO

Gung-Ho Company

January 1999 – Present

Responsible for all aspects of starting and growing Gung-Ho's turnkey software manufacturing and fulfillment business. Gung-Ho manages the manufacturing and fulfillment of printing, packaging, and media products (CDs, DVDs, tapes). Gung-Ho specializes in providing complete kits (software, hardware, education, entertainment) on a turnkey basis, order management (including e-commerce and Web site integration), and fulfillment of its clients' orders with their customers. Gung-Ho has maintained profitability, operated without incurring any debt, and has never lost a client based upon performance since its inception in 1999.
